TREASURER: Sue D'Aloia: (excused)

The financials were emailed to the board members. The key points were that revenue is down at Rifle/pistol but the shotgun range is up. This is despite the shortage of ammo. inflation and covid.

RIFLE/PISTOL: Bob Tollman:

Business is still slow. We are seeing new people and younger shooters. We are hoping for a break in the ammo shortage.

AIRGUN: Alex Modic:

Things have been going good. We are seeing new shooters. The website is going good.

ARCHERY: Barb Johnson/Joe Richardson:

We are doing wonderful. We just finished week 5 of the league with 3 weeks to go. Attendance is up. The signage is up on the East side of the property. Everywhere that trails are evident as well as the bridge. The West side is done too especially where traffic is obvious. Barb and Joe were both invited to a 9 club meeting in Waukegan. They will both be attending. This could be important exposure for our club. A weekend shoot could be in the near future.

SHOTGUN:

Bill Lerch:

Business was down 60%. We were closed 8 out of 14 days due to the weather. More 5 stand was shot than trap in January. 5 stand can shoot in colder temperatures due to the difference in the target throwers. This weekend should be better, and we are hoping for more shooters.

There was a motion made to allot not more than \$4500 for the purchase of 4 Lincoln traps for 5 stand by Bill Lerch. It was seconded by Denny Hartmann and the motion passed.

There was also a motion made to allot \$800 to redo the trap house to throw elevated targets for 5 stand by Bill Lerch. 2nd by Larry Mills. The motion passed.

February 22, we have a meeting with the Village site plan committee. We have submitted a plan to the DNR regarding the proposed shot curtain which has met with a favorable reaction.

Black Powder:

Dan Christiansen: The range is closed for the season. The south border has new trespassing signage posted.
