The meeting was called to order by President Paul Coleman at 6:30 pm at the main clubhouse.

Minutes:

There was a motion to accept the minutes by Denny Hartmann. 2nd by Jerry Lis. The motion passed.

TREASURER:

Sue D'Aloia: The financial report will be given during the annual meeting.

RIFLE/PISTOL:

Bob Tollman: Things are looking up. Ammo is becoming available. The weekend was a little slow due to the weather. People are staying longer.

AIRGUN:

Alex Modic: We're doing well. Field targets are open all month, for practice and to attract new shooters. We plan to have a practice match each Saturday in June. We are still hoping for dirt to be delivered. An area has been cleared and marked at desired location.

ARCHERY:

Don Walker: The Spring league has started with 15 shooters participating. I would like to close the range on Saturdays to cut the grass and clean up, except for August and September. With the board's permission an indoor banquet will be held in July. We are in agreement that an Ro does not need to be present for league shooters. Signage needs to be displayed explaining that to protect us from liability.

SHOTGUN:

Bill Lerch: May was a record month. Sales were up 93% from last year and up 23% better over the last 5 years. This is good especially since there was no league this year. The Falcons have brought in additional business. We are currently experiencing an increase in shell sales from 10 to 15% up to 40 to 50%. Rounds have reduced in the last few weeks as the ammo shortage increases. There is no timetable for ammo availability. We have enough on hand for about 2 weeks before choices will have to be made. Most shooters are buying ammo. Recob has no inventory. Many other clubs are in the same position. We may have to reduce hours. The Falcons finish up July 6th. They placed 1st in sporting clays. Skeet competition is next.

Shot reclamation starts tomorrow. It may take 3 to 4 weeks.

BLACK POWDER: Dan Christiansen: We've been doing pretty good the last couple of weekends. We are seeing some new faces at the black powder range. The 22 range has been keeping pretty busy with all the benches full. All the targets have been replaced. The new ones are holding up very well. We added a couple new Ro's.

COWBOY:

George Broecker: We're doing ok. We had a match this weekend and hosted 27 shooters. ammo and reloading supplies are a factor. Paper targets have been found set on the range.
