MINUTES:

Karen Hartmann: The minutes for the August meeting were presented and approved.

TREASURER:

Sue D'Aloia: Good News. At the end of August we are up 5K from last year. The investment dividends and expenses were not included in the P&L's. The fiscal year ended June 30. The CPA will be preparing our taxes.

RIFLE PISTOL:

Stan Raciak: Business is still slow. Still short on RO's. The range will have to close on days they can't fill the vacancies. We may be forced to close Fridays next year. Still looking for a cashier.

AIR GUN RANGE:

Alex Modic: Everything is good. We are having a match this weekend.

ARCHERY:

Don Walker: Business is picking up a little. Crossbow shooting is gaining interest. The word is getting out regarding crossbow shooting availability. Looking at targets especially for crossbow. Don is working on new targets. The woods walk is still closed even though the water level is lower.

SHOTGUN:

Denny Hartmann: Things are going great. Everything is settling down. The past Sunday was the best day of the year so far. The past two Sundays have been real good. We added five new RO's. The wall is being worked on.

Rob Conrad (Central Falcon coach) came in with a brush hog and cleared around the skeet range. Plans for renovating the skeet range are being discussed. The high school is planning to shoot there in the near future. Denny and Bill Pierantoni have been handling the grass cutting duties (thank you Bill) Everyone has been pitching in.

#### BLACK POWDER:

Dan Christiansen: Everything is still the same. We are getting more shooters at the 22 range. Interest in the 22 range seems to be bringing in new shooters as well as families. Dan would still like to put a roof over the 22 range. Canvas canopies could be a possibility. Targets are a bit beat up.

#### COWBOY:

George Broecker: We're doing ok. We had a NCOW match August 30<sup>th</sup>. We had 8 shooters. Last weekend we had a Cowboy match with 29 shooters. The range is in good shape and the grass has been cut. There was a BSA shoot on August 24<sup>th</sup>. The road has been cleared by Paul Coleman and now needs to be maintained. Rob Conrad may be able to help. George has asked our lawn service to help out with maintaining the brush on the road.
